Chester's Chicken Adds New Wyoming Location

DUBOIS, Wyo. -- Chester's Chicken opened its newest franchise in the Super Foods store here, the company announced. The quick-serve fried chicken concept, available in convenience stores, groceries and delis, is located at 610 Ramshorn St.

"We at Super Foods are very excited about introducing Chester's Chicken to Dubois and this opportunity to enhance what we can offer the community," said Super Foods' Steven Williams.

The location is open for breakfast, lunch and dinner and offers signature Chester's products such as fried, bone-in chicken, chicken tenders, potato wedges and biscuits, along with other menu items to be complemented with Chester's branded sauces.

"Chester's is thrilled to partner with a company such as Super Foods, where quality product, exceptional value and outstanding service are shared goals," stated Kathryn Kudulis, brand manager at Chester's International. "The power of the Chester's brand will be a wonderful tool as we continue to exceed the daily expectations of our customers."
