BIRMINGHAM, Ala. -- Chester's International LLC has recently added 14 more stores in the United States and Puerto Rico. Each of the locations will feature Chester's hand-breaded chicken that is available for carryout and catering options.

"We welcome these new locations to the Chester's family," stated Kathryn Kudulis, Brand Manager for Chester's International. "Chester's continued growth is a testament of our retailer's ongoing dedication to the Chester's brand and continued support of their customers. We are proud to offer a QSR program that enables our operators to be successful in today's competitive market."
