Chester's Spreads Its Wings in South Carolina

BIRMINGHAM, Ala. -- Chester's, a fried chicken foodservice brand in the convenience store channel, held recently grand opening celebrations at its two newest locations—Borderline Mini Mart in Clover, S.C., and Short Trip Convenience Store in Summerton, S.C.

The grand openings for both locations were held Friday, Nov. 21.

"It is so exciting to have two locations in South Carolina celebrating their grand openings on the same day. Both stores will do great with Chester's and we look forward to providing South Carolina with our fried chicken," stated Chester's brand manager Kathryn Kudulis.

Both new Chester's will offer signature menu options including fried bone-in chicken, chicken tenders, potato wedges and biscuits for breakfast, lunch or dinner. The newest Chester's locations will also offer both dine-in and carry-out options.
