## Village Pantry Opens Third Chester's

INDIANAPOLIS, Ind. -- Chester's International marked the third restaurant opening in association with Village Pantry with the grand opening at 5190 N. Franklin Road, at the intersection of East 52nd Street.

"Chester's is a great opportunity for Village Pantry to help grow its strong food service programs with the highest quality fried chicken and side dishes to compliment our fresh made daily sandwiches and doughnuts," Chad Prast, director of foodservice at Village Pantry, said in a statement. "We are already seeing greater than expected results from our other Chester's locations."

At the ribbon-cutting ceremony, Chester the Chicken cheered the crowd on and posed for pictures with customers and employees. Among those excited to see the mascot was children who received balloons from the charismatic character.

The newest Chester's will also offer both dine-in and carry-out options.

"Chester's is proud to have a partnership with a company such as Village Pantry, where quality product, exceptional value and outstanding service are shared goals," Kathryn Kudulis, brand manager at Chester's, said in a statement. "The power of the Chester's brand will be a tremendous tool as we continue to exceed the daily expectations of our customers."
